New Castle Horizontal Strap Seating

New Castle Seating

The New Castle series is a contemporary collection of backed and backless park benches featuring a unique laser cut steel plate bench end and horizontal straps.

Seating Materials

Seat straps are 1 1/2" x 5/16"
 End units are 3/4 Laser Cut Steel Plate
 Support Tubes 1" Schedule 40
 Standard 6' and 8' lengths

Sustainability and LEED

New Castle benches have a recycled material content of 99% of which 87% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Choices

Choose six or eight foot length; backed or backless; zero or one center armrest; powdercoat or Duracoat finish; and color.

Finishes

SiteScapes offers product in both a standard powdercoat and its own proprietary Duracoat finish. Both finishes are designed to weather the elements and are guaranteed not to rust, chip, peel, or fade. Call for a standard color chart.
