Arlington Heritage Cast End Seating

Arlington Seating

Arlington benches feature a beautiful decorative cast iron end which features ornamental filigree and looping symmetry. The Arlington seating surfaces utilize recycled plastic slats which are weather, rot, insect and graffiti resistant. This classic Victorian style bench is perfect for historic and traditional projects.

Seating Materials

Seat slats are Recycled Plastic lumber, Ipe hardwood or 1 1/2" x 5/16" steel strap
 End units are cast iron
 1 5/16" support tubes at top and bottom

Sustainability and LEED

Arlington benches have a recycled material content of 99% of which 87% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Choices

Choose six or eight foot length; zero or one center armrest; steel strap, recycled plastic or ipe wood seat slats, powdercoat or Duracoat finish; powder and plastic color.
