WestPort Horizontal Strap Seating

WestPort Seating

The WestPort utilizes horizontal seat straps. Each 1/4" seat strap is supported by a series of extremely sturdy braces holding each strap firmly in place. Such engineering provides a durable and aesthetically pleasing product in all aspects.

Seating Materials

Seat straps - 1/4" x 1 1/2" steel flat bar
 Support pipe - 1" dia. schedule 40 steel tubing
 End units - 1" square solid steel bar
 Foot plates - 5/16" x 1 1/2" stainless steel

Sustainability and LEED

WestPort benches have a recycled material content of 99% of which 87% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Choices

Choose six or eight foot length; backed or backless; steel bar ends, cast iron ends, steel loop ends, or steel bar ends no armrests; zero or one center armrest; powdercoat or Duracoat finish; and color.

WestPort seating options

Finishes

SiteScapes offers product in both a standard powdercoat and its own proprietary Duracoat finish. Both finishes are designed to weather the elements and are guaranteed not to rust, chip, peel, or fade. Call for a standard color chart.
